PROJECT PARTNERS:

PROJECT ASSOCIATES:

The Center for Social Responsibility in the Digital Age is delighted to invite you to participate in a **virtual Roundtable** on '**Barriers to the Labour Market: A Vicious Circle**' a topic developed under the PAL project.

The PAL project – "Fighting discrimination and anti-Gypsyism in education and employment in the EU" is funded by the Rights, Equality and Citizenship Programme (REC) of the EU.

The PAL project aims to develop a number of goals in education and employment in support of the implementation of national Roma inclusion strategies and the Council of Europe Recommendation on Roma Integration.

The aim of the Roundtable is threefold: to support the development of national strategies for Roma integration; to support the employment of the Roma

community; and to discuss existing labour market barriers and explore ways to improve the integration of the Roma population in the EU.

The Roundtable will look at different obstacles presented by the existing system and explore potential improvements in relation to minorities' integration, focusing principally on the Roma community.

The dialogue will open with a brief presentation of the relevant EU legal framework and case-law, followed by a list of Qs & As to stimulate discussion about the sequence of causes and effects of the prevailing situation.

The list of participants will include SRDA experts, representatives of public authorities, as well as NGO stakeholders.

The conclusions of the discussion will be used to implement the PAL project activities. To achieve a positive and well-informed outcome your presence will be invaluable.

Please note that the detailed Agenda will be shared shortly.

Kind regards,

the SRDA team / for Spyros Pappas, President
